

ATTACHMENT TO INTERVIEW OF AUGUST 18, 2009 SER NO 10/560,086

Attorney Robert A. Madsen, Reg No 58,543, was contacted on August 17, 2009 by this Examiner that the allowed application was remanded from Publications due to the lack of a Brief Description of the Drawings. Attorney indicated that he would provide the required Brief Description by Fax which this Examiner would enter by Examiner's Amendment.

On August 18, 2009, Attorney Madsen contacted this Examiner leaving a message to indicate that the Figures of record were not the translated English copy but inadvertently not submitted in this instant file wrapper. This Examiner was at the time of the telephone call at the USPTO in Alexandria and returned the call at 5PM August 18, 2009. The fax was sent in pertaining to the Figures was submitted on August 18, 2009 at 3:26 PM at which time this Examiner was in the Office as noted above.

In view of the fact that Applicant is required to submit the English version of the Drawings that was inadvertently left out of the file submitted, Attorney will have to submit a 312 amendment to enter the Drawings. Examiner indicated that the 312 Amendment should include the fax Supplemental providing the Brief Descriptions of the Drawing at the same time as the Drawings.

Upon receipt of the above, the Application will be approved and sent to Publications.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HERBERT J. LILLING whose telephone number is 571-272-0918. The examiner can normally be reached on WORK AT HOME MAXIFLEX.

Art Unit: 1657

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, JON WEBER can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
